

THE POWER of TOUCH IS BACK

We know these have been difficult times. Sombra® Professional Therapy Products have been manufacturing the Lotions and Crèmes **you trust for over 45 years.**

The Sombra® product line is clinically recommended and trusted.

Nothing is more important to us than quality. We believe that true healing starts with the type of products you use. Sombra® is proudly manufactured in our own facility, ensuring we have utmost control over quality. Our pain-relieving gels have always contained natural ingredients without harsh chemicals or by-products.

Sombra® is committed to your health and well being.
