Sombra Pain Relief is like **Heaven in a Jar** – M. Kirm

I LOVE Sombra! Our family was introduced to this product by a chiropractor many years ago. We have been amazed on how extremely well it works for aches and pains. We always keep a jar and use it when the need arises. As we are getting older, the need is arising more often. The Sombra Pain Reliever is incredibly reliable for pain relief. We have tried prescription topical pain relief medications in the past, and they are not effective. SOMBRA IS EFFECTIVE! We love Sombra! – T. Carter

I wanted to say thank you for your WONDERFUL product, Sombra Cool Pain Relief, has been a life saver for me! I was in two car accidents only five months apart from one another and my back and neck are in bad shape. There are nights when the only thing that stops the pain is the Sombra Cool Pain Relief gel! I tell EVERYONE that I can who suffers from any type of muscle and or joint pain to try it. – S. Hechinger

I have severe carpal tunnel syndrome. I've used some of the Sombra Warm Pain Relief last night and I slept all night for the very first time in months. Thank you for your great product! – J. Simon
